IT IS HEREBY ORDERED THAT

1. The Proposed Adequate Assurance is hereby approved and is deemed adequate assurance of future payment as required by section 366 of the Bankruptcy Code.
2. The Debtors shall deposit the Adequate Assurance Deposit in the amount of \$331,250 in a segregated account for the benefit of the Utility Companies within 20 days after the Petition Date.
3. The following Adequate Assurance Procedures are hereby approved:
 - a. Within three business days after entry of the Proposed Order, the Debtors shall fax, e-mail, serve by mail, or otherwise expeditiously send a copy of the Motion and this Order to the Utility Companies on the Utility Services List.

- b. The funds in the Utility Deposit Account shall constitute adequate assurance for each Utility Company in the amount set forth for such Utility Company in the column labeled “Proposed Adequate Assurance” on the Utility Services List.
- c. If an amount relating to Utility Services provided postpetition by a Utility Company is unpaid, and remains unpaid beyond any applicable grace period, such Utility Company may request a disbursement from the Utility Deposit Account by giving notice to (i) proposed counsel to the Debtors, Weil, Gotshal & Manges LLP, 767 Fifth Avenue, New York, New York 10153 (Attn: Jessica Liou, Esq. and Moshe A. Fink, Esq.); (ii) the Office of the United States Trustee, 515 Rusk Street, Suite 3516, Houston, TX 77002; (iii) counsel to the to the Prepetition Administrative Agent under the FLFO Credit Agreement, Vinson & Elkins, LLC, Trammell Crow Center, 2001 Ross Avenue, Suite 3900, Dallas, TX 775201 (Attn: William L. Schaible, Esq. and Natasha Tsiouris, Esq.); and (v) counsel for any official committee of unsecured creditors appointed in these chapter 11 cases (collectively, the “**Utility Notice Parties**”). The Debtors shall honor such request within five business days after the date the request is received by the Debtors, subject to the ability of the Debtors and any such requesting Utility Company to resolve any dispute regarding such request without further order of the Court. To the extent a Utility Company receives a disbursement from the Utility Deposit Account, the Debtors shall replenish the Utility Deposit Account in the amount so disbursed.
- d. The portion of the Adequate Assurance Deposit attributable to each Utility Company shall be returned to the Debtors automatically, without further order of the Court, on the earlier of (i) reconciliation and payment by the Debtors of the Utility Company’s final invoice in accordance with applicable nonbankruptcy law following the Debtors’ termination of Utility Services from such Utility Company, (ii) the effective date of any chapter 11 plan confirmed in these chapter 11 cases or (iii) the consummation of a sale, pursuant to section 363 of the Bankruptcy Code, of all or substantially all the assets of the Debtors.
- e. Any Utility Company desiring additional assurances of payment in the form of deposits, prepayments, or otherwise must serve a request for additional assurance (an “**Additional Assurance Request**”) on the Utility Notice Parties.
- f. The Additional Assurance Request must (i) be made in writing, (ii) set forth the location(s) for which Utility Services are provided, the account number(s) for such location(s), and the outstanding balance for each such account, (iii) explain why the Utility Company believes the Adequate

Assurance Deposit is not adequate assurance of payment, (iv) summarize the Debtors' payment history relevant to the affected account(s), (v) certify the amount that is equal to two weeks of the Utility Services provided by the Utility Company to the Debtors, calculated as a historical average over the 12-month period preceding the Petition Date, and (vi) certify that the Utility Company does not already hold a deposit equal to or greater than two weeks of the Utility Services provided by such Utility Company.

- g. An Additional Assurance Request may be made at any time. If a Utility Company does not file and serve an Additional Assurance Request, the Utility Company will be (i) deemed to have received "satisfactory" adequate assurance of payment in compliance with section 366 of the Bankruptcy Code and (ii) forbidden from discontinuing, altering, or refusing Utility Services to, or discriminating against, the Debtors on account of any unpaid prepetition charges or requiring additional assurance of payment other than the Proposed Adequate Assurance.
- h. The Debtors may, without further order from the Court, resolve an Additional Assurance Request by mutual agreement with a Utility Company, and the Debtors may, in connection with any such agreement, provide a Utility Company with additional adequate assurance of payment including cash deposits, prepayments, or other forms of security if the Debtors believe that such adequate assurance is reasonable
- i. If the Debtors and the Utility Company are not able to reach an alternative resolution within 30 days of receipt of the Additional Assurance Request, the Debtors will request a hearing before the Court at the next regularly scheduled omnibus hearing to determine the adequacy of assurances of payment with respect to a particular Utility Company (the "**Determination Hearing**") pursuant to section 366(c)(3) of the Bankruptcy Code.
- j. Pending resolution of the Determination Hearing, the Utility Company filing such Additional Assurance Request will be prohibited from altering, refusing, or discontinuing Utility Services to the Debtors on account of unpaid charges for prepetition services or on account of any objections to the Proposed Adequate Assurance.

- 4. Notwithstanding anything in this Order, upon a timely objection filed and

served on the Utility Notice Parties by any Utility Company, the Court shall conduct a hearing on

August 24, 2020 at 1:30 p.m. (prevailing Central Time) (the "**Final Hearing**") to resolve any dispute between the Debtors and such Utility Company regarding the Adequate Assurance Procedures.

5. Absent compliance with the procedures set forth in the Motion and this Order, the Utility Companies including, without limitation, those listed on **Exhibit 1** annexed hereto, are prohibited from altering, refusing, or discontinuing Utility Services, or otherwise discriminating against the Debtors, on account of any unpaid prepetition charges or any perceived inadequacy of the Debtors' Proposed Adequate Assurance. The Utility Companies are prohibited from requiring additional adequate assurance of payment other than pursuant to the Adequate Assurance Procedures set forth herein.

6. The inclusion of any entity in, as well as any omission of any entity from, the Utility Services List shall not be deemed an admission by the Debtors that such entity is, or is not, a utility within the meaning of section 366 of the Bankruptcy Code, and the Debtors reserve all rights and defenses with respect thereto.

7. The Debtors are authorized to amend the Utility Services List to the extent the Debtors terminate the services of any Utility Company or identify additional Utility Companies, with such amendment to be filed with the Court and served in time to allow for parties to object prior to the Final Hearing. This Order shall apply to any such Utility Company that is added to the Utility Services List. The Debtors shall serve a copy of this Order upon any Utility Company added to the Utility Services List within three (3) business days.

8. The Debtors shall increase the amount of the Adequate Assurance Deposit if an additional Utility Company is added to the Utility Services List not later than September 2, 2020 by an amount equal to two weeks of the Utility Services provided by such additional Utility Company, calculated using the historical average for such payments during the 12 months prior to the Petition Date. The Debtors may terminate the services of any Utility Company and are immediately authorized to reduce the

Adequate Assurance Deposit by the amount held on account of such terminated Utility Company provided there are no outstanding disputes related to postpetition payments due.

9. The relief granted herein is for all Utility Companies providing Utility Services to the Debtors and is not limited to those parties or entities listed on the Utility Services List.

10. Notwithstanding anything to the contrary herein, any payment to be made by the Debtors pursuant to the authority granted herein shall be subject to and in compliance with any orders entered by the Court approving the Debtors' (1) entry into any postpetition debtor in possession financing facility, including any budget and the terms of any definitive documentation in connection therewith (the "**DIP Documents**") and/or (2) authorizing the Debtors' use of cash collateral and/or any budget in connection therewith (in either case, the "**DIP Order**"). To the extent there is any inconsistency between the terms of the DIP Order or any DIP Documents, on the one hand, and this Order, on the other hand, the terms of the DIP Order or such DIP Document, as applicable, shall control.

11. Nothing contained in the Motion or this Order or any payment made pursuant to the authority granted by this Order is intended to be or shall be deemed as (i) an admission as to the validity of any claim against the Debtors, (ii) a waiver of the Debtors' or any party in interest's rights to dispute the amount of, basis for, or validity of any claim, (iii) a waiver of the Debtors' or any other party in interest's rights under the Bankruptcy Code or any other applicable nonbankruptcy law, (iv) an agreement or obligation to pay any claims, (v) a waiver of any claims or causes of action which may exist against any creditor or interest holder, (vi) an admission as to the validity of any liens satisfied pursuant to the Motion; or (vii) an approval,

assumption, adoption, or rejection of any agreement, contract, lease, program, or policy under section 365 of the Bankruptcy Code.

12. The requirements of Bankruptcy Rule 6003(b) have been satisfied.

13. Notice of the Motion is adequate under Bankruptcy Rule 6004(a).

14. Notwithstanding the provisions of Bankruptcy Rule 6004(h), this Order shall be immediately effective and enforceable upon its entry.

15. The Debtors are authorized to take all actions necessary or appropriate to carry out the relief granted in this Order.

16. This Court shall retain jurisdiction to hear and determine all matters arising from or related to the implementation, interpretation, or enforcement of this Order.
